SHOWING UP

When the pandemic first began and all programming went remote, preachers imagined an “It’s Over” Sunday. The hope was that within a month or two, restrictions would be lifted and we would all enjoy a huge Sunday celebration back together again. I was spared the disappointment of that fantasy because I got good information early that was discouraging but realistic. The most sobering article I read said, “Don’t prepare to weather a storm. Prepare for an Ice Age shift.” Maybe the image was a bit dramatic, but I got the point. As a congregation facing the reality of a long process, we needed to adapt in order to continue bearing a credible and important witness as a church.

But excitement can be a process as well. Though there has been no “It’s Over” moment, it is exciting to witness a re-emergence. The Bible schools and Trent Getaway were successes. The sanctuary was comfortably full for the Mission Build celebration. Rally Day attendance at worship was strong. That Sunday evening, we had a wonderful turnout of children and of youth and their parents.

Most exciting to me is that I no longer need be a minister encouraging members and visitors to stay away and apart. There remain exceptions, but I once again can be enthusiastic inviting people to church. There are so many good reasons why:

- We grow closer as a body of Christ when we are together.
- Children, youth and young adults need to be a part of a strong, nurturing family of faith where their acceptance is by grace.

- The church is the place of practice of spiritual disciplines that shape identity and develop strong moral character.
- The valley and the world need Second Presbyterian to be strong because we are in the middle of so much of what serves compassion and healing.
- In polarizing times, we bear witness to how unity can be found in the midst of diversity.
- We get to be with those for whom we care, and by being with them, grow to care more for them.

I hope to see you soon.

STEWARDSHIP

This will be an especially important stewardship season. The excitement of in-person programs come with increased expense. What will most benefit the church as well as the spiritual growth of our members is broad based support and participation. We will be the strongest possible post-pandemic church when we are all committed to doing our part in supporting the church making a witness that inspires hope and changes lives.

BIBLE IN BLACK & WHITE

The Bible in Black and White class this past spring was a big success. We looked at how the Bible has been understood from different cultural perspectives. We were challenged and inspired. There was also much laughter.

The class will return, only at a different time. In October, Bill Lee and I will lead four Wednesday Night classes at 6:00 p.m. where the focus will be on "Key Moments in Acts." Our working plan is to consider these moments when worldviews are challenged.

- October 5: Peter's Dream (Acts 10:9-16)
- October 12: The Ethiopian Eunuch (Acts 8:26-40)
- October 19: The Jerusalem Council (Acts 15)
- October 26: Paul and the Woman with Divination (Acts 16:16-34)

Once again, those who attend this class will come from communities that have been labeled "white" and "black." While we will consider different perspectives, we will again discover how it doesn't have to be that hard to find the common ground of the Gospel.

EDMUNDS LECTURES

Our 2022 Edmunds lecturer will be Dr. Ben Witherington III, a celebrated New Testament scholar. Ordained in the United Methodist Church, he teaches at Asbury Theological Seminary in Wilmore, Kentucky. Previously he taught at Vanderbilt University, St. Andrews University in Scotland, and Duke Divinity School. Let me quickly add, that his undergraduate education was at the University of North Carolina.

It is astounding how prolific Ben has been as an author. He is the author of at least 32 books. Some were written to be studied in college and seminary classes and some are written for laypeople to better understand their scriptures.

We are able to convince Ben to come because we had an "In". He is a close friend of church members Carol and Bob Widmeyer. His father and Carol's father met at UNC, remained best friends for 70 years, and adopted each other's families. Thank you, Carol, for allowing us to take advantage of this special connection.

The Edmunds Lectures will be delivered at 7:00 p.m., November 6 and 7.

THE UNIQUENESS OF CHRIST AND HIS MOST UNIQUE DISCIPLE

GUEST SPEAKER: DR. BEN WITHERINGTON III

Bible scholar Ben Witherington is Amos Professor of New Testament for Doctoral Studies at Asbury Theological Seminary and on the doctoral faculty at St. Andrews University, Scotland. He is now considered one of the top evangelical scholars in the world, and is an elected member of the prestigious SNTS, a society dedicated to New Testament studies. A popular lecturer, Witherington has presented seminars for churches, colleges and biblical meetings not only in the United States but also in England, Estonia, Russia, Europe, South Africa, Zimbabwe and Australia. Witherington has written over sixty books, including *The Jesus Quest* and *The Paul Quest*, both of which were selected as top biblical studies works by Christianity Today. NOTE OF APPRECIATION FROM CAROL WORLEY

“After finally receiving a long awaited successful surgery, Hunter decided that he was ready to be on his own. I am truly appreciative of all of your prayers that lifted not only him, but the surgeon and his mom up during these long months. I felt them and I know he did, too. Thank you, Second Pres.” – Carol Worley

SUSTAINABILITY SPOTLIGHT

The Green Team, under the auspices of the Property Committee, has been working with an outside building sciences consultant to undertake an initial energy audit of the main church building. This is one of the primary tasks identified in the church’s sustainability plan approved in May 2021.

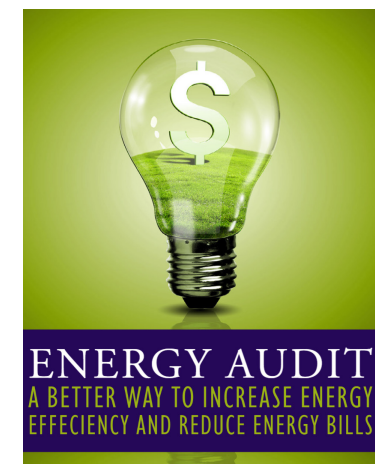

The purpose for undertaking the audit is to conform to the General Assembly’s 2006 Resolution calling on all Presbyterians “to make a bold Christian witness by aspiring to live carbon neutral lives.” The audit is a first step in identifying ways for our church to reduce energy use and limit carbon emissions.

The energy audit is guided by the PC U.S.A.’s Earth Care Congregations: A Guide to Greening Presbyterian Churches and the United States Environmental Protection Agency’s (EPA) ENERGY STAR® Action Workbook for Congregations.

The audit will establish the church’s baseline energy use, highlight significant contributing factors or equipment, and identify highest value, lowest cost opportunities for energy use reductions. The results from the energy audit will help inform Property Committee decisions on prioritizing and budgeting for energy efficient maintenance and capital improvements. The audit will be presented to the Property Committee at their October meeting followed by submission of a written report. The report’s findings and recommendations will be shared with the congregation.

LIVING WATER PRODUCES THE BEST FRUIT

In September's *Second Sheet*, Cindy Waters reminded us that Jesus taught: "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing." (John 15:5)

All living things need water to thrive and to bear fruit. What kind of water nourishes us through this Vine? In the Old Testament book of Jeremiah, the Lord is referred to as the "spring of living water". In the New Testament book of John, Jesus spoke of "living water" twice, most notably when he told the crowds, "Whoever believes in me, as the Scripture has said, 'Out of his heart will flow rivers of living water.'" (John 7:38)

Living water, *mayim chaim* (MY-eem KHY-eem) in Hebrew, is water from a natural and moving or flowing source. When we remain in God, the fountainhead of living water, the fruit we bear and share with our community and the world is sweeter and more bountiful.

God is at work within and through Second Presbyterian Church. The **Fruits of Faith** displayed in our service to others, in our ministries, and within our walls and beyond are made possible because of your contributions of time, energy, and financial resources. To continue supporting the transformational impact that we want to see in the world, it is important to maintain the staff and resources of our church. Please consider making a financial pledge to the ongoing work of this congregation on Commitment Sunday, October 16.

May the living water of God flow through you and nourish all you do.

Cynthia Lawrence
Stewardship Committee – Past Chair

THE RIVER SUNDAY SCHOOL (K-3RD GRADE)

We are still in need of volunteers to help with the River Sunday School. Specifically, we are looking for a workshop leader for Holy Word, Holy Motion (Bible storytelling and games). Curriculum and resources are provided!

POP-UP SUNDAY SCHOOL

OCTOBER 2 @ 9:45 A.M.: "ALL ABOUT THE SACRAMENTS"

In churches around the world *all* Christians practice baptism and communion. But each tradition observes them a little differently. Sprinkle or immersion? Wine or grape juice? What exactly are the theological and historical reasons for the differences and similarities? Why have churches evolved to observe these holy rites in various ways? While many Christians probably give little thought to why or how their denomination or organization has come to practice these two sacraments, it is interesting and meaningful to know the story of how and why we celebrate them the way that we do.

Join Elizabeth Link on this World Communion Sunday to explore the history and meaning behind baptism and the church's family meal.

SUNDAY NIGHT PARENTING GROUP

OCTOBER 2, 9 & 16 @ 5:00 P.M.:

For many years, an active parenting group met on Sunday evenings in conjunction with our Sunday night children's choir. Now that we've begun year two of Sunday Night Kids' Fellowship, we feel this is the right season to create something new for parents. **For three Sunday evenings this fall, Kids' Fellowship parents are invited to join Elizabeth Link for a short-term parenting group.**

The group will meet on Sundays, Oct. 2, 9 & 16 (5:00-6:30 p.m.) in the Reading Room.

During this time, we hope to not only explore the topic of faith development in young children, but also enjoy fellowship and build relationships with one another.

For more information, contact Elizabeth Link (elizabeth@spres.org). Hope to see you there!

A FINANCIAL UPDATE

As we quickly approach the start of the fourth quarter of 2022, it is a good time to pause and evaluate where we stand regarding our giving and the church's finances.

This year has brought much uncertainty with the continued presence of COVID-19, a brutal war in Ukraine, rising prices, a strange labor market, and political polarization. Many of us have watched our personal portfolios lose value and have had to be mindful of our family budgets. Even amid these uncertain times, let me encourage you to remain focused on our God who always provides and never changes.

Looking back at 2021, at this point in the year our total gift receipts were \$829,000. Currently we are behind in our giving for 2022 by \$58,110, with our total gifts received YTD being \$770,890. This, coupled with our budget increase from last year means we are slightly behind and need to remain focused on our commitment to financially support the mission and ministries of Second. Historically speaking, a large majority of our giving comes in the fourth quarter, so these numbers are not a cause for alarm, rather a reminder to remain financially aware.

If you have any questions or concerns regarding your 2022 pledge or giving, please feel free to contact me at admin@spres.org or 540-343-3659.

Kindly,
