### LECTURE SERIES

The last thing Ben Witherington said to me when I dropped him off at the Roanoke airport was, "George, you have a wonderful congregation. They are highly engaged, ask great questions and are quite kind and welcoming." I said, "Thank you," which for me also meant "Amen" because I completely agree. I am grateful to all those who attended the lectures and spoke to Ben at the reception; to those who showed hospitality to Ben like Gene Edmunds, Nathan and Hannah Anderson, and the other two ministers; Andrea Boone and Meredith Koliba for their help with marketing, recording and logistics; and everyone else who made the lecture series such a meaningful two days.

There will also be a 2023 lecture series, so why not go ahead and put it on your calendar? In the fall of 2023 (exact dates TBA), Dr. Peter Enns will be our Edmunds Lecturer. He is a New Testament scholar who teaches at Eastern University. He is celebrated not only for his writing and speaking, but also for his podcast, "The Bible for Normal People." His sense of humor certainly adds to the enjoyment of reading his works and hearing him speak.

### STEWARDSHIP - PROMISING RESULTS

With the *Second Sheet* deadline being two weeks in advance of publication, it is tricky to talk about stewardship results. What I can say

The *Second Sheet* of Second Presbyterian Church

Phone: 540-343-3659  
Fax: 540-345-2747

*Second Sheet* is published monthly, and submissions are due by noon the second Wednesday of each month, unless otherwise noted.

You may view *Second Sheet* online at:  
www.spres.org  
/connect/newsletter/

To receive a full-color copy by email or to report a change in contact info, please send a request to [andrea@spres.org](mailto:andrea@spres.org).

The church occasionally uses photos of people and groups on the website and in publications. Those objecting to the use of their photos (or photos of their minor children) should so inform the church.

Enjoy listening to podcasts? Listen to our sermons on *Second on the Mount*, and our podcast for children and families, *Child of God with The Rev. Elizabeth Link!*  
[www.spres.org/connect/podcasts/](http://www.spres.org/connect/podcasts/)

of this writing is that we have a promising start... *if pledges continue to come in and we continue to have broad-based support.*

I hope that both the membership and the community now know of Second Presbyterian Church's serious commitment to outreach. What the church was able to do these past two years in response to the needs of those most affected by the pandemic and in response to the needs of critical mission partners, is an important story we should continue to tell. Let it not be said that this congregation retreated from its responsibilities when we were forced apart. Continuing to support missions is one reason that all supporters who are able should pledge.

With commitment to missions being a given, I hope that another reason for broad-based support can be rightly heard. As a congregation, we are unusually blessed with an outstanding staff. Being well-webbed in the larger church, I know of a lot of church staffs, and ours is the best I know of. Whether by effective searches, good luck, or God's blessings, we have outstanding people in place who offer excellent support of programs, worship, music, missions, education, children and youth programs, and congregational care. Look at how well live stream worship is conducted, how effective we communicate with membership, how well the facilities are cared for, how good the fellowship programs are for all ages, and how meaningful are the classes and worship services.

Inflation is a real factor last year and this. The best way to help retain excellent staff during inflation, without putting an undue burden on supporters who themselves must deal with inflation's impact, is not for a few people to give more than they should but for more people to give what they can.

So, if you've pledged, on behalf of those served by our church's outreach, and on behalf of those served by the staff, thank you. If you have not yet pledged, I thank you in advance for doing so.

## CHRISTMAS

Look elsewhere in this *Second Sheet* for information about seasonal programming and worship, but I hope you know how special it is for me and my family to go through the Advent season and then to worship, celebrate and share the good news of Christ's birth with you. Many will wish you a Merry Christmas, and I do, too. As your pastor, though, I pray that you will also have a holy and sacred Christmas.

**POP-UP SUNDAY SCHOOL DEC. 11 @ 9:45 A.M.**

**Join Hannah Anderson for a Pop-Up Sunday School class on the topic of Advent.**

Hannah Anderson is an author and Bible teacher who lives in Roanoke with her husband, Nathan (our Church Business Administrator!), and three children. Her books include *All That's Good: Recovering the Lost Art of Discernment*, *Turning of Days: Lessons from Nature, Season, and Spirit*, and *Heaven and Nature Sing: 25 Advent Reflections to Bring Joy to the World*. She is a student at Duke Divinity School, and also cohosts the Persuasion podcast, which addresses cultural, theological, and more mundane issues from a Christian perspective. Hannah's goal is to encourage believers to think deeply and broadly about how the gospel transforms every area of life.

**THE LONGEST NIGHT SERVICE, DEC 21 @ 6:00 P.M.**

For those who have experienced loss, the holidays can be a particularly painful time, stirring up grief in acute ways. As a result, churches around the world have adopted the practice of having a "Blue Christmas" or a "Longest Night" service during the Advent season. In the Northern hemisphere, this service is often observed on December 21st, the Winter Solstice, which is the longest night of the year.

A Longest Night service is designed to provide space for prayer, reflection, and remembrance amidst the holiday hustle and bustle. In this pandemic season of life, we sense that grief and loss will be magnified and nearly universal, and a service like this may be needed now more than ever. Therefore, we hope this offering may provide a space of calm, quiet, and healing for many.

Join the Rev. Elizabeth Link at 6pm on Wednesday, December 21 in the Sanctuary for this meaningful time of worship.

**KIDS' FELLOWSHIP**

Kids' Fellowship has been a wonderful time for fellowship, music, and fun. Since Rally Day, faithful volunteers have helped lead this weekly event. We have two more dates scheduled for the fall semester, and hope your children or grandchildren can join us.

- Dec 4 – 5-6:30pm, Dinner & Christmas Pageant Rehearsal
- Dec 11 – Join us for the Christmas Dinner at 5pm, with Kids' Fellowship Christmas Pageant to follow at 6:15pm in the Sanctuary

Kids' Fellowship will also have the opportunity to participate in the 5pm Family Christmas Eve service in the Sanctuary. Please let Elizabeth Link or Alison Conte know if your child is able to help on Christmas Eve.

**SUNDAY SCHOOL AND PANCAKE BREAKFAST UPDATES**

To give our wonderful Sunday school teachers a break, and to allow families the opportunity to enjoy sharing the Christmas story together, Sunday school and Children, Worship, & Wonder will not meet on December 25. There will also be no Sunday school on January 1, though Children, Worship, & Wonder will meet on January 1 during the 11:00 a.m. worship service.

Sunday school will resume for all ages on January 15.

On Sunday, January 8, members and visitors of all ages are invited to attend a pancake breakfast during the Sunday school hour in Fellowship Hall. This breakfast is sponsored in partnership by the Christian Education Committee and the Congregational Life Committee. Let us take time to share a meal together, get to know recent members and confirmands from the 2022 year, and give thanks to those Sunday school teachers who work tirelessly all year long. Regularly scheduled Sunday school classes for all ages will resume on January 15.

**CHRISTMAS DINNER AND PAGEANT SUNDAY, DECEMBER 11 AT 5:00 P.M.**

**SERVICE & OUTREACH CHRISTMAS SUPPORT FOR KIDS AND SENIORS**

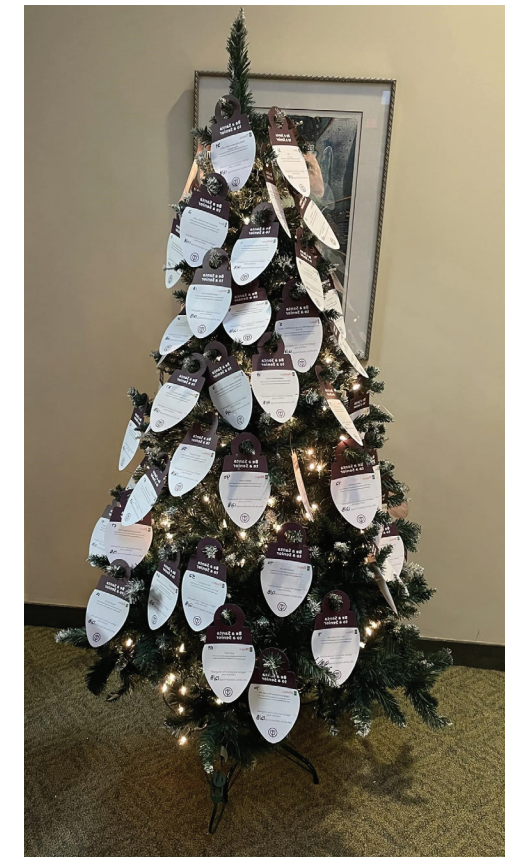

The Service & Outreach Committee is providing two ways to spread some cheer to those in need this Christmas season. Please return your gifts/coats by Thursday, Dec. 8

**1. "Be a Santa to a Senior" Angel Tree:**

- While one often thinks of children going without gifts at Christmas, the hard reality is that many seniors spend this time of year alone and unremembered. Second Presbyterian is sponsoring a "Be a Santa to a Senior" Angel Tree this year. Stop by the church to select a tag from the Angel Tree, shop for your senior, then return your gift under the tree by Thursday, December 8.

**2. West End Center Coat Collection:**

- We are collecting new coats for children and teens from the West End Center again this year. Use this link (<https://www.signupgenius.com/go/5080D4BA5AF2FA13-west1>) found on the church website to sign up to purchase a coat for a child, then return your coat to the church coat closet by Thursday, December 8. Be sure to label your coat with the gender/size purchased.

**KNITTED HATS**

We thank those who have been knitting this season to help us keep the children of Highland Park Elementary School warm this winter. Reminder to please bring your items to the church Hospitality Room closet by Friday, December 9. This program was started by our beloved Margaret Foss. Contact Emily Mallory with questions or to turn in your hats and scarfs (540-344-1780).

**SECOND WELCOMES THE SOMERVILLES**

Please join me in welcoming Doug and Kathy Somerville, who joined our church on Sunday, October 30 by letter of transfer from Second Congregational Church in Conway, New Hampshire.

Doug and Kathy both grew up in the suburbs of Boston are career educators.

Doug earned his B.A. and M.Ed. from Bridgewater State University. From thence, he taught middle school, including engineering classes as part of a STEM team, for 35 years. In his retirement, Doug owned and operated a house-design business and has served in a director role for several non-profit organizations.

Kathy attended the University of Massachusetts, Amherst, where she earned a B.A. in English and Journalism. She went on to also complete an M.Ed. in Library Science and then a second master's degree in Educational Media. She worked for 35 years as a school library media specialist, supporting classroom teachers and teaching children research and information literacy.

In her spare time, Kathy enjoys reading, hiking, family activities, and supporting women's service groups; and she and Doug love to travel together.

The Somervilles are thrilled to be living in the Roanoke Valley, close to their children and grandchildren. Having "attended" numerous local churches online during COVID, they are grateful to have found a home at Second, and they look forward to participating in the life of the church.

**WELCOME INTERIM MEDIA AND COMMUNICATIONS SPECIALIST, THE REV. RACHEL VOGADO**

We are delighted that our wonderful and beloved Andrea Boone is set to welcome her son this December. In preparation for her parental leave, we have hired an interim staff member to shadow Andrea and serve in her role temporarily.

The Rev. Rachel Vogado has recently moved to the Roanoke Valley with her husband, the Rev. Chris Vogado. Chris is the new pastor at Salem Presbyterian Church. Rachel is a lifelong Presbyterian, originally from Tallahassee, FL. She received her Bachelor of Arts in Art History and Museum Education from Florida State University and a Masters of Divinity from Columbia Theological Seminary. She has served churches in Memphis, Indianapolis, and North Carolina.

Rachel has experience in communication and art. We are so fortunate that she is willing to share her gifts with us at Second in the coming months. Please help us welcome Rachel to the team this season! You can reach her via email at [rachel@spres.org](mailto:rachel@spres.org).

**GALS GATHERING 2022**

The gals of Second Presbyterian had a great Gals Gathering women's retreat at Eagle Eyrie last month! We give thanks for everyone who joined us, for those who worked to make the weekend so special, and for our guest speaker, Jen Brothers!

**LEGACY CORNER**

After a pandemic delay, the Edmunds Lectures returned with success with Dr. Ben Witherington III giving the 2022 Edmunds Lectures. Many in attendance expressed their gladness that they had an opportunity to hear one of the top church scholars of the world who, on the second night, made a compelling case for Lazarus being "the beloved disciple" who wrote the Gospel of John.

Our opportunity to hear from and get to know Dr. Witherington would not have happened if not for two of our restricted funds. The *Edmunds Fund* covered the expenses of the event (food, travel, materials, marketing and the *Trent Fund* supplied the honorarium.

This is a classic example of how restricted funds enable our congregation to do things over and beyond what our budget can handle and why the funds are worthy of consideration for special gifts and bequests. The hope is that the *Edmunds Fund* will grow to the point to cover all lecture costs freeing the *Trent Fund* for promoting other extraordinary projects of Christian education.

If you would like to have a conversation about the possibilities of a legacy gift or bequest, contact Nancy Gray (Chair of Legacy), Nathan Anderson (Business Administrator) or one of the ministers.

**YOUTH**

November was a month to be grateful for... Our Midweek Man-Night and Manna both enjoyed time together... Our Confirmation class and mentors enjoyed the dinner together and the powerful Kristallnacht Service (“the night of broken glass”) at Temple Emanuel... Our Middle School Youth collecting tons of food for the Presbyterian Community Center, then delivered and helped organize the pantry... Our High School Youth gathered around the table for a “Friends-giving” as we offered thanksgiving for things we are grateful for... And we continued to seek deeper understanding as our call to be “light” in and for the world!

Coming up on **Sunday, December 4**, the youth will have their **Fancy Christmas Dinner Party** from 5:00 until 6:30 p.m. in the Fellowship Hall. Get ready to “Fa La La La La” in your fancy fashionables and walk the red carpet in your button-down Rudolph onesie. Rock your finest Christmas attire as we rock around the Christmas tree... Get decked out in your greens and reds as we deck the halls! See you then!

**Mental Health Check-Ins** will continue throughout December. Every Wednesday in the month of December, the youth are invited to come to the Intersection between 3:30 – 5:00 p.m. to practice some mindfulness techniques and strategies.

**YOUNG ADULTS**

Second Pres Young Adults is a growing group members and non-members, and we have enjoyed several fun gatherings this fall. We have gathered for meals and a few nights we met out for lunch or dinner! **SUSTAINABILITY SPOTLIGHT  
ENERGY AUDIT PART 2**

**“You can’t manage what you can’t measure.”**

Following up on October’s Sustainability Spotlight, the Energy Audit Report of the Main Church Building was presented to the Property Committee by the building sciences consultant. The Property Committee is currently reviewing the report and will be returning comments to the consultant for incorporation into the Final Report. The Intersection and Alexa’s House were not included in the audit.

As a reminder, the audit is a first step in identifying ways for our Main Church Building to use less energy and improve energy efficiency—ways that result in saving the church money and lowering CO<sub>2</sub> emissions.

The quote, “**You can’t manage what you can’t measure**” is often attributed to Peter Drucker, the Austrian-born American management consultant, educator, and author. In this case it is being applied to the Main Church Building’s use of electricity. The data below is based on the electric utility bills and documents the Main Church Building’s 1) electricity use, 2) carbon emissions, and 3) energy cost for 2019-2021.

Year	Annual Use (kWh) Note 1	Annual Carbon Emissions (tons of CO <sub>2</sub> ) Note 2	Annual Energy Cost (at 0.136 cents/kWh) 2022 Rate
2019	632,400	490	\$86,133
*2020	534,009	414	\$72,732
*2021	558,434	433	\$76,059

\* COVID-19

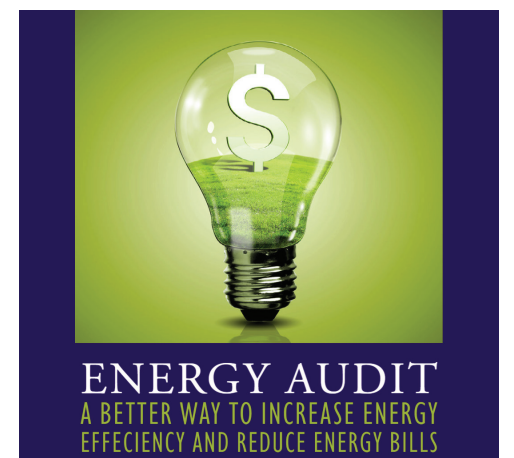

**Notes**

- 1: A kWh equals the amount of energy used by a 1,000 watt appliance (such as a microwave oven) running for one hour.
- 2: Examples of one ton of CO<sub>2</sub> church equivalents:
  - Amount of electricity used by the church every 1.3 days
  - One month of church waste going to the regional landfill

As the church implements policies and practices to reduce and conserve energy, the annual energy cost and CO<sub>2</sub> emissions should begin to decline. The data will be checked annually to verify this is the case. The data will also be used to help identify areas where improvement is needed. A copy of the final Energy Audit Report will be posted on the church’s website in early 2023.
