PASTOR'S NOTES - DR. GEORGE C. ANDERSON

LOOKING BACK AT 2023

The year 2023 has been a significant one for Second Presbyterian Church. I am going to say more about this in the printed Annual Report that will come out in March, but I wanted to acknowledge in this first edition of *The Second Sheet* how well positioned we are for ministry in 2024 because of developments this past year.

Our congregation has bloomed in its outreach. The hospital we helped build in the Dominican Republic is now treating patients, and Alexa House is now fully renovated and being used by *Family Promise*. We are back in the business of helping *Habitat for Humanity* build a house. If our challenge budget is approved, it will mean a 10% increase in our benevolences. The increases will go especially toward affordable housing and health care as well as helping children to succeed in schools in at-risk neighborhoods.

Our outstanding staff has had a number of new additions in the last five years. There was a two decade stretch when turnover was rare. But in the last five years, we've added Ben Brannan (Minister of Youth and Young Adults), Nathan Anderson (Business Administrator), Meredith Koliba (Pastors' Assistant), Andrea Boone (Media and Communications Specialist), Rachel Vogado (Media Assistant), Nancy Gray (Parish Associate for Visitation),

PASTOR'S NOTES - DR. GEORGE C. ANDERSON

continued from page 1 . . .

Connie Polly (Congregational Engagement Coordinator), Alice Light (Pre-school Director), Iman Alston (Custodian) and Shirley Newton (Custodian).

The church is as busy as it has ever been. We've added a variety of clubs. There has been strong attendance at retreats, Bible schools and midweek studies. And the facilities are frequently hosting both church activities and the activities of outside organizations.

We are blessed to have a strong church family that makes such a difference in the lives of its members and in the conditions of life in the community. Let's add strength to strength through the witness we provide to Jesus Christ in 2024.

THE SECOND SHEET REDESIGN: A SLEEK AND MODERN UPDATE

After a five-year run, "The Second Sheet" newsletter has been given a fresh, new look! Considerable time and effort was given to researching past editions, ensuring that the new version maintains its roots while also keeping up with current trends.

The newsletter's title has returned to "The Second Sheet," and volume and issue numbers have been reinstated (changes which occurred in 2000). Interestingly, "The Second Sheet" found its beginnings as a church school report, and the current volume number, 124, indicates its first publication in 1900.

The new design is clean, modern, and minimalistic, with a simplicity that emphasizes content and church news. Church fonts and colors from the previous design were retained, giving this version a familiar and professional look.

PCC FOOD COLLECTION 2024

The Presbyterian Community Center shared that Second Presbyterian donated food valued at \$6,439.55 in 2023. This reflects a 137% increase in our food donations from the previous two years.

Thank you! The increase in donations indicates the success of the monthly food item collection that was instituted in 2023. This monthly collection will continue in 2024 with a specific food item being collected each month for the PCC. Be sure to check the bulletin and Pastor's Letter email each week to learn the food item for that month. Donations may be dropped off in the coat closet. Pull-top cans are especially needed for the housing insecure. For your reference the yearly schedule is below.

A SOLUTION FOR THOSE LEFT-OVER CHRISTMAS CARDS

Are you wondering what to do with your unused, unsigned, and in good condition Christmas cards and their matching envelopes? The Service and Outreach Committee has a solution for you. You can leave them in the box marked "Christmas Card Donation" found in the coat closet at church. These cards will be saved and given along with new cards and stamps to the Roanoke Valley Jail Ministry chaplains for inmates in area jails to send to their loved ones next Christmas. You will not only get rid of those left-over cards and envelopes, but you will help to make someone else's Christmas brighter next year.

"PARTNERS IN PROSPERITY" HABITAT BUILD – MEET THE HOMEOWNERS: THE MUSSA FAMILY

Together with St. John's Episcopal Church, we have sponsored a new Habitat home for the Mussa Family. The home will be built on the 600 Block of McDowell Ave in Northwest. The build begins the second week of January and will come to completion the second week of May. Second Presbyterian and St. John's have both committed to 30 build days each, and Second will be on site the 1st/3rd Saturdays and the 2nd/4th Thursdays from January until May. Find the link to the [signup genius](https://www.signupgenius.com) at www.spres.org. Come lend a hand as we build this new home together!

Mr. Mussa moved to the United States 19 years ago from Somalia and settled in Las Vegas, Nevada. Mussa's wife emigrated to the U.S. from Kenya in 2018. The couple met while in living in Las Vegas. Between them, the couple has seven children: three boys and four girls (ages 2 to 15), of which they are very proud.

In October 2021, Mussa and his family moved to Roanoke from Las Vegas to live closer to his father and his siblings' families. After their move, Mussa's brother—a Habitat homeowner—encouraged the couple to investigate Habitat's Homebuyer program. Several months later, the couple submitted an application. "We gave thanks to God, when we got approved," Mussa said. "My wife and kids were so excited about us being accepted. We are still happy. We can't wait to work on building our house." Both Mussa and his wife work for a local medical center; Mussa, as a floor technician and his wife works in housekeeping. We look forward to building with them and plan to host the family at future church events.

SECOND PRESBYTERIAN PRESCHOOL ENJOYS NEW PLAYGROUND EQUIPMENT

Second Presbyterian Preschool children and staff along with church member Jim Pickens pose on the playground for a picture celebrating the newly installed equipment, clad in yellow construction hats. Because of a substantial grant acquired by previous Preschool Director, Sally l'Anson, the new playground plans began to take shape three years ago. The efforts and persistence of many made this possible. We are especially grateful to Jim Pickens, Aaron Copeland, Robert Kulp, and the Finance and Property Committees for making it a reality. We are thrilled to have a top tier outside play space for both church and preschool children to enjoy throughout the week.

INCLEMENT WEATHER POLICY

In the event of inclement weather, to find out if a service has been canceled visit the homepage of the church website (www.spres.org), check the church social media pages for updates, or tune in to WDBJ-7 or WSLS-10 for a list of local closings.

GALS' GATHERING SATURDAY, JAN. 20, 9AM-4PM, REGISTER BY JAN. 15

Join us for a day of connection, reflection, and fellowship at the annual Gals Gathering! Together we will consider the ways that we can nurture and strengthen our faith in all seasons, and find encouragement in times that feel unfruitful. There will be a hands-on workshop to create a tangible faith practice that can be grounding in one's faith formation led by our speaker, Rev. Rachel Vogado. We will also create a mosaic for the Good Samaritan Hospice House in Roanoke. Cost is \$35. Learn more and register online at www.spres.org.

SECOND WELCOMES CINDY AND DANIEL HODGES

We extend a warm welcome to new members Cindy and Daniel Hodges, who joined the church by letter of transfer on November 19, 2023.

Cindy was born in Lockbourne, OH and moved to Roanoke as a teenager. She studied Management at Virginia Western Community College and worked for 33 years as a programmer, analyst, and project leader. She retired in November of 2022, and has had more time to enjoy her hobbies, which include baking, gardening, and most everything to do with nature!

Daniel grew up in Roanoke and studied political science and history at Gordon College in Wenham, MA. In his professional career, he worked as a Program Data Analyst for multiple companies. He taught classes at Virginia Western Community College and considers himself semi-retired. Daniel enjoys reading, history, photography, and videography.

I hope you will take the opportunity to say hello to this lovely couple and help us give them a warm, Second welcome.

Submitted by Connie Polly, Engagement Coordinator.

Regularly scheduled Sunday school classes will not meet on Jan 7. Sunday school will resume on January 14.

KAIROS: LENT 2024

There is an ancient Greek word for finding or making space in our lives. It is a word that means “the right or opportune moment.” This word, *καιρός*, has been used over the centuries to describe time for spiritual reflection, and even, to put it simply, “God’s time.” We will offer several Kairos opportunities for prayer and worship this Lenten season. We hope this time may be a space for you to pause and connect to something deeper.

We will hold Ash Wednesday and Maundy Thursday services in person at the church, and midweek Kairos video reflections via our church YouTube channel and Facebook page in the weeks between:

- Feb. 14, 7:30-9:30 a.m.: “Ashes and Prayer To-Go” in the parking lot
- Feb. 14, 6:00 p.m.: Ash Wednesday Worship, Kirk Hall
- Feb. 21-March 20: Weekly Kairos Reflections via YouTube and Facebook
- March 28, 6:00 p.m.: Maundy Thursday Worship, Kirk Hall

SUSTAINABILITY SPOTLIGHT

GREEN TEAM YIELDING GREEN SHOOTS

Happy New Year! This month marks two years since the Green Team was formed and convened its first meeting in January 2022. Its purpose is two-fold: First, to assist the Property Committee in implementing the church’s Sustainability Plan adopted in May 2021. See [2PC-Sustainability-Plan-Documents_May-2021.pdf](#). Second, to inform and offer opportunities for the congregation to participate in sustaining and caring for God’s creation: at church, at home, in our community, and around the globe.

Planet Earth is a gift from God and the only home we have. Taking care of it and its life sustaining ecosystems (plants and animals) is a loving response to God’s call to **“till and keep”** the garden (Genesis 2:15), as well as Christ’s charge to work with and care for the most vulnerable.

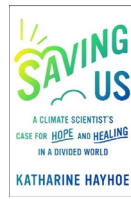

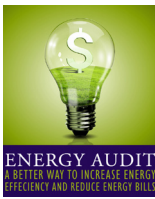

**“In the beginning God created the heavens and the earth.
And God saw everything that he had made, and behold, it was very good.”**

– From Genesis 1:1 and 1:31

The Sustainability Plan calls on our church and congregation to strive to become carbon neutral by 2030. Carbon neutrality is defined as reducing to zero the church’s energy consumption that relies on burning fossil fuels (coal, oil, and natural gas) that emit CO2 (and other greenhouse gases) into the atmosphere. The first step is to make church buildings, grounds, operations, and maintenance as energy efficient as possible. The second step is exploring ways to equitably transition to clean renewable sources of energy.

At the same time, the Green Team is informing and encouraging members of the congregation to do the same at their homes and places of work. Outreach has primarily been conducted through the monthly Sustainability Spotlight in *The Second Sheet*, Minute for Mission, the past fall’s Christianity and Climate Change class, and a forthcoming planned POP-UP Sunday School scheduled for Sunday, March 3, 2024. If interested, archived Green Team Sustainability columns (images pictured below) may be found at [Newsletter - Second Presbyterian Church](#) beginning with the February 2022 issue.

This Spotlight introduces the newly adopted Green Team logo. The cross and leaf motif represent the Green Team’s efforts to bring forth shoots of care for God’s creation—shoots centered on love, justice, and compassion—shoots rooted in faithful stewardship of the earth in all its beauty and diversity.

GREEN TEAM

Grounded by Scripture, Informed by Science.

LEGACY CORNER

As we begin the new year, we are grateful for the many ways in which our church helps others, work which is often made possible by the generosity of those who understand what Paul meant when he wrote “Make love your aim” (I Cor.14:1). These generous church members, both those who have gone before us and those who are with us now, made “love their aim,” and our church is all the stronger as a result.

Consider the oldest endowment fund at Second, established under the will of Edward R. Johnson in 1959. Since that time, the income of the Edward R. and Edith R. Johnson Fund has been used in accordance with the donors’ wishes to support “education of a student or students preparing for ministerial or other religious works and endeavors.” As a result of the Johnsons’ generosity almost 65 years ago, members of Second have been able to go to seminary or other educational institutions to prepare for ministry or other church vocations.

This legacy of generosity continues today. More recently, George Cartledge III established our newest endowed fund. George, his wife, Barbara, and their children demonstrated their love of family and church through their generous gift to establish the George and Millie Anderson Cornerstone Fund for Pastoral Excellence in honor of George Cartledge III’s great, great, great-grandfather, Rev. Groves Harrison Cartledge, who was pastor of the Hebron Presbyterian Church in Commerce, Georgia from 1852-1899. Second will benefit from the Cartledges’ generosity for years to come.

In addition to these gifts, Second benefits regularly from the generosity of those who made “love their aim” by making gifts to the church that strengthen our various ministries. For example, our beautiful music during worship is supported by church members who gave to funds that support church music; our robust Christian education offerings are made possible, in part, by income from endowed funds like the Trent and Edmunds endowments; and we look forward to the opening of Alexa House to provide transitional housing for those in need, thanks to the gifts of time, talent and treasure from so many. Our church is enhanced and sustained by the generosity of those who understand what it means to “make love your aim”—a worthy goal for all of us.
